

雑誌

発表者氏名	論文タイトル名	発表誌名	巻号	ページ	出版年
Miwa, N., <u>Kurokawa, M.</u> , et al.	Comparative efficacy of acyclovir and vidarabine on the replication of varicella-zoster virus.	Antiviral Res.	65	49-55	2005
Yoshida, Y., Li, Z-H., <u>Kurokawa, M.</u> , et al.	Growth of herpes simplex virus in epidermal keratinocytes determines cutaneous pathogenicity in mice.	J. Med. Virol.	75	421-426	2005
黒川昌彦, 南嶋洋一	ノロウイルス感染症	化学と薬学の教室	152	17-22	2005
Park, Hye-Jin, <u>Kurokawa, M.</u> , et al.	Antiviral activity of the marine alga <i>Symphyclocladia latiuscula</i> against herpes simplex virus (HSV-1) in vitro and its therapeutic efficacy against HSV-1 infection in mice.	Biol. Pharm. Bull.	28	2258-2262	2005
Jo, M., Nakamura, N., <u>Kurokawa, M.</u> , et al.	Anti-herpes simplex virus activities of traditional Chinese medicines, used in Yunnan and Tibetan provinces of China.	J. Trad. Med.	22	321-328	2005
Shin, K., <u>Kurokawa, M.</u> , et al.	Effects of orally administered bovine lactoferrin and lactoperoxidase on influenza virus infection in mice.	J. Med. Microbiol.	54	717-723	2005
Ueda, M., <u>Imai, T.</u> , et al.	Possible enhancing effects of atrazine on growth of 7,12-dimethylbenz(a)anthracene-induced mammary tumors in ovariectomized Sprague-Dawley rats.	Cancer Sci.	96	19-25	2005
<u>Imai, T.</u> , Hasumura, M., et al.	Development of invasive follicular cell carcinomas in a rat thyroid carcinogenesis model: biological impact of capsular inflammation and reduced cyclooxygenase-2.	Cancer Sci.	96	31-37	2005
Cho, Y-M., <u>Imai, T.</u> , et al.	Lack of prepubertal administration of ethinyl estradiol on susceptibility to multiple organ carcinogenesis in rats exposed to 7,12-dimethylbenz[a]anthracene and N-bis(2-hydroxypropyl)nitrosamine during adolescence.	Cancer Lett.	223	37-46	2005
Hasumura, M., <u>Imai, T.</u> , et al.	Promoting effect of <i>para</i> -amino- benzoic acid on development of thyroid tumors in rats initiated with N-bis(2- hydroxypropyl)nitrosamine.	Toxicol. Sci.	86	61-67	2005
<u>Imai, T.</u> , Cho, Y-M., et al.	Enhancement by acrylamide of N-methyl-N-nitrosourea-induced rat mammary tumor development – possible application for a model to detect co-modifiers of carcinogenesis.	Cancer Lett.	230	25-32	2005
Takizawa, T., <u>Imai, T.</u> , et al.	Comparison of enhancing effects of different goitrogen treatments in combination with b-estradiol-3-benzoate for establishing a rat two-stage thyroid carcinogenesis model to detect modifying effects of estrogenic compounds.	Cancer Sci.	97	25-31	2006
<u>Imai, T.</u> , Onose, J., et al.	Indomethacin induces small intestinal damage and inhibits amitrole- associated thyroid carcinogenesis in rats initiated with N-bis(2-hydroxypropyl)-nitrosamine.	Toxicol. Lett.			in press
Hamamura, M., <u>Hirose, A.</u> , et al.	Semi-quantitative immunohistochemical analysis of male rat-specific alpha(2u)-globulin accumulation for chemical toxicity evaluation.	J. Toxicol. Sci.	31	35-47	2006

雑誌

発表者氏名	論文タイトル名	発表誌名	巻号	ページ	出版年
Ema, M., Kimura, E., Matsumoto, M., Hirose, A., et al.	Reproductive and developmental toxicity screening test of basic rubber accelerator, 1,3-di- <i>o</i> -tolylguanidine, in rats.	Reprod. Toxicol.			in press
Hayashi, M., Kamata, E., Hirose, A., et al.	In silico assessment of chemical mutagenesis in comparison with results of Salmonella microsome assay on 909 chemicals.	Mutat. Res.	588	129-135	2005
Ema, M, Fukunishi, K, Hirose, A, et al.	Evaluation of Developmental Toxicity of Ultraviolet Absorber 2-(3',5'-Di-tert-butyl-2'-hydroxyphenyl)-5-chlorobenzotriazole in Rat.	Drug Chem. Toxicol.			in press
Ema, M, Hara, H, Hirose, A, et al.	Evaluation of developmental toxicity of 1-butanol given to rats in drinking water throughout pregnancy.	Food Chem. Toxicol.	43	325-331	2005
