

**Conflict of interest statement**

The authors declare that there are no conflicts of interest.

**Acknowledgements**

We thank Ms. Yuki Oyama for her technical assistance. This work was supported in part by research grants from the Scientific Fund of the Ministry of Education, Science, and Culture of Japan; the Japan Research Foundation for Clinical Pharmacology; the Takeda Science Foundation; the Promotion and Mutual Aid Corporation for Private Schools of Japan; the Ministry of Human Health and Welfare; and by the JKA through its promotion funds from the Keirin Race.
