

Table 1 Profile of the case

Pt No	Exam No	Sex	Age	Site of injection	intra or extra-cyst
1	1	F	8M	rt. cheek	E
	2			lt. supraclavicle	I
2	3	F	2Y4M	lt. mandibule	E
	4			lt. submandibule	I
3	5	F	5Y7M	rt. subscapula	I
	6			rt. axilla	I
4	7	F	2Y6M	rt. submandibule	I
	8	M	1Y3M	lt. lat. chest	I
5	9	M	17Y	rt. cheek	E
	10			lt. cheek	E
6	11	F	1Y11M	lt. lat. chest	I
	12	M	3Y	lt. cheek	E

Abbreviations: E, extra-cystic injection I, intra-cystic injection
 lt., left rt., right lat., lateral

Table 2 Profile of the control

Case No	Exam No	Sex	Age	Site of injection
1-1	1	F	1Y2M	rt. foot*
	2			lt. foot*
1-2	3	F	1Y2M	rt. hand*
	4			lt. hand*
1-3	5	F	1Y6M	rt. temporal portion
	6			lt. parietal portion

Case No. 1 is the same patient of Pt No.1 in Table 1.

The patients underwent 3 separate sintigraphies.

Tracer was injected subcutaneously in all examination.

Table 3 Studies of lymphatic flow in lymphangioma using scintigraphy

No	Author	Radiotracer	Summary of the scintigraphy	Compatibility with our study	Ref No
1	Takes	^{99m}Tc nanocolloid	Slow fluid drainage from the lesion	Compatible	13
2	Barrand	Iodine labelled albumin	Slow fluid drainage from the lesion	Compatible	6
3	Boxen	$^{99m}\text{Tc-Sb}_2\text{S}_3$	Rapid flow into the lesion	Not comparable because of the draining tube	12
4	Wells	$^{99m}\text{Tc-Sb}_2\text{S}_3$	Rapid flow into and out of the lesion	Incompatible	14
5	Touloukian	Xe^{133}	Existence of abnormal L-V circulation	Not comparable because of the diffusion of Xe^{133}	11

Abbreviations: fluid: lymphatic fluid, flow: lymphatic flow, L-V: lymphatico-venous

リンパ管腫情報ステーション
<http://www.lymphangioma.net/>

The screenshot shows the homepage of the Lymphangioma Information Station (LIS). The header features the LIS logo and the text "Lymphangioma Information Station リンパ管腫情報ステーション". The main navigation menu includes "Home", "一般・患者向け" (selected), "医療関係者向け", and "研究". On the left, there's a sidebar with links for "お知らせ", "リンパ管腫研究班による全国調査結果", "お問い合わせ", and "このサイトについて". Below the sidebar are buttons for "一般・患者向け", "医療関係者向け", and "研究". A large central image of a heart with a stethoscope is displayed, with the text "このホームページの目的" and two numbered points: 1. 「リンパ管腫」に関する国内外のあらゆる情報を集め、患者さん及び医療者に提供すること; 2. 「リンパ管腫」の原因を解明し、より良い治療法を探し出すこと. A "詳しくはこちら" button is also present. At the bottom, there's a "会員登録はこちらから" link, a footer menu with links like "Home", "お知らせ", "リンパ管腫研究班による全国調査結果", "お問い合わせ", "このサイトについて", "一般・患者向け", "リンパ管腫とは", "用語解説集", "Q & A", and "会員登録", and finally the copyright notice "Copyright ©2010 リンパ管腫情報ステーション All Rights Reserved." and a "サイトマップ" link.
